**MEMBERSHIP NEWS & HIGHLIGHTS**

**THANK YOU! 2022 Car Show Food Booth Volunteers**

I just wanted to put out there how thankful I am to all the wonderful hard working volunteers.

I appreciate everyone that helped at the car show to make everything run smoothly. Without every one of you we could not have had such a successful show. I especially want to thank Larry Liljestrand for picking up and delivering all the many supplies need to make this happen and Darwin Ethington for setting up and taking down serving bars and equipment. Also a heartfelt thanks to the following, Paul & Renee Miller, Sherry & Paul Grandaw, Naomie Jones, Lana and Tom Bero, Tony Thiel, Chris Nelson, Sherri McDonald, Lynn Lewis, Dorothy Kowalski, Caden Britz, Mike Vandewall, you all made this show one for the books. I hope that I did not miss anyone if I did I apologize. It takes a great group of volunteers from parking to presenting trophies to make this happen and I am proud to be a part of it. Let's make next year even better.

Scott Hannan

**HAUNTED HOUSE & TRAIL**

The Haunted Trail and Haunted House was a great success. I want to thank all the volunteers. I know I am missing many people that participated in this fun event. I just wish we had more people to walk the trail, and man the rooms. It all worked out, but this Lodge can do much better! We have a GREAT Lodge and I am proud to be a part of this Lodge. I will mention a few people that stood out during this two weekend extravaganza. Prior to this event, Mike Vande Walle and his time and equipment spent on making the RIP Trail a great success! Mike spent almost 150 hours on the trail getting it ready for the first night. He also worked extensively between the two weekends to perfect his flying bicycle witch. Jeremy and Naomi for their unswerving dedication by taking vacation from work to ensure all the decorations inside the Haunted House were ready on day one. Jeremy and Naomi are well deserving of this recognition. And the last person I want to recognize is my wife, Tammy. She spent the entire summer making decorations for the trail. She had ideas for so many areas, and she pulled it off, and definitely earns a spot in the acknowledgement of the four hard working individuals to have their name specifically listed. Many other Marinette and Green Bay Moose Lodge members helped, many other arrived to play actors and actresses in this fun scary event. I am proud of everyone that helped and participated on Friday nights and Saturday nights. If you ask any of the actors and actresses if they had fun, they will all tell you about the exciting and enjoyable moments each and every night. The parking went very well, but three people definitely works so much better than two. If we could have had four tour guides for the Haunted House, there would have been less back-up at the entrance. If every room was manned, and most of the trail decorated areas were manned, the patrons would have had a better experience. Overall this was a great success. If you have any time that you can spare next year, please volunteer for this event. It takes the following amount of people each night to make this a success:

- Three Parking attendants
- One or Two make-up artists
- Two General Admissions personnel (Money Collection)
- Three Trail Attendants, just to ensure a smooth flow of people, and that they do not bunch up.
- Four Haunted House Tour Guides
- About twenty people in the Haunted House manning rooms
- About twenty on the trail some for jump scare, and others for manning the scenes.
- Two for Post Haunted House personnel to interview the patrons
- One Technical Advisor, but two would be great!

So you can see, to make this extra special we need all of your support. We need all of you to run this exciting event and make it UNFORGETTABLE!

I know I didn't list everyone, but those that assisted, I thank you. I know that "Freedom For Patriots," appreciate all of your hard work and effort that was placed into this outstanding prosperous event. Thank you to everyone Jim Kostura Haunted House Chair

**WELL WISHES**

## FROM THE LODGE PRESIDENT

Hello Moose Members!! What a great couple of months of community events and our own personal get togethers. Would like to start with the pajama party and fireworks, Thank you to everyone!! Big thanks to Mike and his Flaming Balls Firework Crew!! Then we go into the brisket cookoff, where we partnered with Freedom for Patriots for an excellent event, that fed over 270 people, brought live music, and also a huge bag toss tournament to the lodge!! Congrats to Kevin Reiszwitz in winning this year!! Kevin is a board member for the FFP and also a Moose Member! Cant wait for next year! Next the car show which had a record year thanks to Jerry Lowis and his team!! I was not in attendance but heard great things about those that helped and those that attended!! The food also was a knock out this year with Scott H and his team. Okay next we had the state bag tournament, thank you to Scott Blank for running it and for all our volunteers that helped out from food to entertainment, DJ Navy Joe. Elephant Ears or Moose Ears like I call them, did a great job at Peshtigo Historical Days. Thank you to everyone!! Now onto the haunted trail and house..... where do I start, well with everybody that helped make this another record event, that's where!! Congrats to Jim, Tammy, Jeremy, Naomi, Mike, Heidi, with all the workers involved behind the scenes, the actors and actresses, car parkers, gate keepers...was just amazing!! They already are planning next year with a bunch of spooky surprises!! Don't forget about the gun show that the Rod and Gun Club put on, which had a full sell out with tables, and also on the purchase of all the tickets for the two rifles. Congrats to the two winners!! Later that evening we went into the volunteer / halloween party, with big thanks to Scott H and Mike V for cooking and preparing the main course, along with everybody that brought a treat to share!! Winner of best costume was Jason Lebich, which was a mixture of David Hasselhoff and Pamela Anderson!! Fun was had by all!! Its becoming quite the ritual event for years to come. Well hopefully that covers all the events that happened when I was a little short on my news letters. A special thanks to Bob Britz for reminding me every meeting about my news letter!! Becoming President of this lodge has made me notice alot of things that people take advantage of without knowing the correct way of doing things and the old saying "that's how we always have done it." Change is important and a factor in every day life occurances, but we also have to remind ourselves that there our procedures and rules in place that made this moose lodge what it is today. This year hasn't been an easy one, you are never going to please every individual of the lodge and you definitely are going to upset some people with the boards decisions. So all you can do is take as much information in from our elders and event coordinators and try to run a smooth ship. I would like to thank the great staff, we have on our board, we have had some non going away issues and alot on our plates that we are finally buttoning down, and taking care of. A big relief is Scott Hannan in our kitchen and his team that works and volunteers all their hardwork to make our fish fries legendary, and our Thursday night's burgers tasty!! I will be the first to say Scott is an individual that can loose his temper and mind set quick, but it all goes to how much his heart and love of his job at the moose is beyond what anybody could imagine. Scott and I haven't always got along, but since we worked out our problems the moose lodge team is growing stronger!! Thank you to Danielle for being patient with Scott with all the time that he is out at the lodge working!! Onto the campground, Thank you to John Quick, Fran Boivin and Rodney Klann for the campground that is ran meticulous and always a great place to have a get away from every day life. Excellent job with keeping it a campground that the moose can brag about!! All these people and volunteers that I have mentioned is what makes being a board member an easier job. In the last months there are situations that come up and you wonder is all these headaches and complaints worth the job that I am volunteering to do..... When you sit back and look at all our activities and the end of the day, all the smiles and great times that our members have had and made memories doing, you forget about the rest. This lodge doesn't run on your dues, it runs on the volunteers and members that contribute at events and weekly operations. The biggest complaint is people that come to the lodge and want to be waited on hand and foot, when actually the people that are doing the work, have the same membership qualifications as they do. Please be patient with our volunteers, because if you make them quit, we don't have a social quarters or lodge anymore... Hopefully everybody will have great Thanksgiving, we will be closed that week Thursday through Saturday for our volunteers to spend time with their families. Once again in the last couple months, Thank you to our board!!! There's also one other moose member, he's a little bull headed once and awhile and should ask for help, but doesn't. He keeps our maintenance and our lodge up keep to the best of his ability.....Thank you Darwin E!! Have a great November, Donnie Lorenz Jr.

### FROM THE SENIOR REGENT

As I write this, it is a sad day. I just closed up my camper for the winter. Come back quick spring!!! On the happier side, it sure is beautiful out with all the trees changing colors. I'll focus on that for now.

As with most of the summer September also was filled with many actives for the Lodge. The Car Show, \$10,00 Raffle (I even won some money this time), Peshtigo Historical Days and the Cornhole Tournament were just some of the actives. I attended most and they were a good time. October started with having Fall Fest and Trick or Treating in the campground. Then there was the Haunted House that was awesome. There are still some exciting events for October yet.

The Children's Christmas Party is scheduled for December 10<sup>th</sup> at the Lodge from 11a -1pm. This is opened to all Children and Grandchildren of Valid Moose Members. Look in newsletter for additional information on these upcoming events. I hope everyone is looking forward to this event as I am. See signup sheet in newsletter.

WOTM Chapter 1900 is holding a WOTM membership drive now until December 31, 2022. If you are a valid Lodge member and not a member of Women of the Moose, our Chapter will pay for your 1<sup>st</sup> year WOTM Dues. This will give you a chance to see what the WOTM is about and participate in our Chapter events. You can contact any of the WOTM Board members for more information.

I would like to remind the women that the next chapter meeting will be held at the Lodge at November 14<sup>th</sup> at 6pm. At these meetings we discuss upcoming events, donations, etc. held by the WOTM. We would love you join us to give new ideas or incite.

Again, I would like to thank everyone that has continued to volunteer and make our events successful.

Senior Regent  
Kim Dobbins
