From The Governor

Dear members,

“Here We Go”. We have started the new Moose year running. This will be another busy and exciting year of projects and new adventures. Keep reading your newsletter and visit the website for upcoming events and details. As the new year begins this also means our goals have been raised to reach Premier Lodge status again but I know this lodge can do it. We need to sign 8 new members per month, sign a minimum of 92 members, be a plus 1 in membership, and have about 48 different members sponsor a new member. We finished the year with 649 LOOM members. I would like to see us reach 700. Make sure to read the postings in the lodge, check the website, or ask a board member about any membership promotions that may be happening. Don't forget to visit the Moose International website, check the links and make a donation to Moose Charities. I am involved in and fond of the Mooseheart Boosters program and they are wonderful charities. Our annual membership campaign this year is “Honoring Community Heros”. We started the year off making our goal of having 8 new members for the first month, but this is an area where we cannot rest. We need to do this every month to make up points we need to become the top lodge in the state. This past month we held the preferred members dinner. I can't thank you all enough for all you do. We also had the LOOM board cook for Mothers Day. What a perfect time for all this to happen and we all survived.

The highway cleanup was held on the 20th, helping clean the community and logging Community Service hours for the lodge. The Legion breakfasts have started and we held the annual Memorial Service at our lodge pavilion and Memorial Park.

It has been great seeing everyone in the campground, coming to visit from the river, and at the lodge. I am in campsite 19, stop in and visit or just say hi. Cheers, here's to another good year.

Fraternally Yours,

Brad Boivin,
Governor

CHAPTER 1900 WOMEN OF THE MOOSE

Hello Fellow Members,

I am excited to be your new Senior Regent and see what this year has in store for us! It will be nice to have young blood in office and follow in my father's foot steps to do what I can for the lodge. He was one of the first men to get the charter started here in Marinette.

We had a great turn out at the \$10 raffle. Thank you everyone for your help making it such a great success again.

We have some great things coming up such as Father's day luncheon and hope that some of you can help out. We are also going to be having the rummage sale on June 3rd. It will be \$5 for a table and hey, you might even come home with more than you brought. If you have any questions or want to get a table let Lana Bero know, she will be running it.

I would also like to say good job to Nathan Plym and Lauryn Albaugh for their great work with the Youth Awareness Program and competing at the International Youth Awareness Congress for scholarships. I am so glad to still see it around since I was also involved in it 15 years ago when I was in high school and earned a savings bond. Also much thanks to our Moosette of the Month Amy Boivin for taking the time to help these kids out and guide them and to help them with the Youth Awareness Program. Also thanks for all the help with things around the lodge.

Hope that everyone has a great month and see you around.

Sara Techmeier, Senior Regent
