From the Governor

Top of the morning to all. It's hard to believe that March is already here and spring is just around the corner. I hope that the cold and the snow is all behind us. The gun show that the Rod & Gun club had was a huge success. I would like to thank all that made this happen. The anniversary dinner was well attended with good food for all. Thank you to all that helped. Also thank you to the volunteers that put on a great sweethearts dinner. Hope that all who attended had a great time. I can't get over at some of the speeds that some of the machines were doing at the Radar Run. WOW! Thank you to Matt Anderson and his crew for all they do to make this a great event. During Lent stop out here on a Wednesday for a fish fry or better yet bring a friend and maybe they will want to become a member after trying one of our tasty meals. Don't forget that the campground meeting is at the end of the month. Your deposit and the rules with your signature has to be turned in. Please get ahold of John Quick if you have any questions. The mid year conference is this month. I'm sure I will have something in next months letter about this. Also if you would like to be a part of the Lodges board and keep making the lodge as great as it is, just fill out a nominating form that's in the newsletter and turn it into a board member. We would love to have you on board this great team and become a Moose on a mission. May the luck of the Irish be with you!

Fraternally Yours

Governor Ed Schlaud

Our Condolences to the Fred and Fran Boivin
 Families for the loss of sister Barb Nordskog

Our condolences to Bob Zylkowski for the loss of
his Sister Judy Mollus 

WOMEN OF THE MOOSE CHAPTER 1900

Hello Co-Workers

My year as Senior Regent is speedily coming to an end and I hope we have some great people that would like to step up and hold an office to fill our board. I will be serving as your Jr. Graduate Regent in the ensuing year, but we are still looking for people to take the offices of Junior Regent, Secretary/Treasure, Senior Regent and Recorder. If you would like to take part in a truly rewarding experience join us on the board by simply filling out the form in the newsletter that says you are interested in running for an office. The nominating committee will be meeting in March and reviewing each applicant and will get a hold of you for the election. As a board member we make many decisions as to what is done in the community and how much money is donated to various organizations as well as Mooseheart and Moosehaven. We also make sure everything is covered for many activities at the Lodge such as Easter and Christmas parties for the kids, Family picnic and many other things!! Join a great group of women and join in on the fun!!

This past month, I also as Senior Regent, had the great pleasure of giving tribute to a great lady, Judy Ethington. Judy was a charter member of chapter 1900 and I have known her the majority of my life. She has held many offices in our Lodge and has received her college of regents degree. She has been active since the beginning helping in the kitchen for more years than many have ever known about the Moose. She has been editor of the Moose Newsletter for the last 26 years. She will be greatly missed by all and it was really nice to see so many come out to pay their respects. We all love you Judy and will miss you dearly.

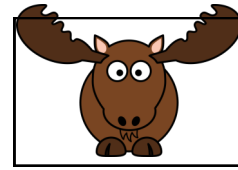

The children's Easter party is set for April 13th. If anyone would like to make a contribution to the event, please let Me or Kay Nelson know. Desserts, candy, prizes or even cash to purchase prizes or food for the lunch are welcome. Also we are asking people to RSVP this to make it easier to prepare the luncheon. So grab your children and grandchildren and come out for a great day.

Just remember to ask your friends to join the Women of The Moose, these are all the great things that you can take advantage of as members of the WOTM. Add to that the great fish fries, other meals and socialization at the Lodge and I think you will say

"it's a great day to be a Moose" just like I do. So jump on board run for an office, make a contribution or get a friend to join. We can all do our part to make this chapter bigger and better than ever.

Cindy Deschaine

Senior Regent

Mooseette of the month for March is Lori Hoheneder. She is always helping with everything for the women and the men alike. In the Lodge and in the home. We have really missed her this last month and are happy to know she is doing much better. She already knows she is such a great asset.

Campground Meeting

Sunday March 24th at 11:00am is the date for the annual meeting to assign sites for the new incoming people and the existing campers who want to move. So mark your calendars because you have to either be there in person or have someone there to represent you for a site.

Perch Fry

To kick off the Lenten season Marinette Lodge is hosting a perch fry March 6th Ash Wednesday, with the proceeds going to the Salvation Army. The perch were caught by one of our local fisherman in the bay of Green Bay. So by attending you are not only helping out one of the more thoughtful organizations in our community you are also supporting a vanishing industry. We hope we never lose our commercial fisherman it's been a part of Marinette from it's beginning. The cost is \$12.95 a plate with baked potato or French fries, rye bread, baked beans and coleslaw. Serving from 5-7pm. We also will be open to the public that evening so that hopefully we will raise more funds.

Gun Show

I am pleased to say that the Moose On The Menominee Gun & knife show was a big hit. All tables were rented out by dealers and nothing but positive things were said by the dealers on how the show was run. We raised money so that we could help out with Marinette High School fishing team and there trap shooting team with items that they need. A big thank you to all that volunteered to help make this a great event. There is talk about planning another one this fall. If this sounds like something you might want to help out with talk to a Rod & Gun Club member.

Our Moose of the month is Mike Costello if you don't know who that is it is because everyone calls him Cozy. Cozy has helped with our annual Radar Run and has sponsored a lot of the advertising on the radio. Thanks Cozy for all you do.

K.E.K.S.

I have been talking with our Safe Surfin chairperson Barb Van De Hie about having another K.E.K.S. program. For those that don't know what K.E.K.S. stands for it's Keep Every Kid Safe. In todays world it is hard to imagine what our children face on a day to day bases. This program is to educate our community of these problems, so it will be open to the public. I will keep you up dated on the progress of this program. If you would like to be a Moose on a Mission and help with this just let Barb or me know.

Thank You

Ed Schlaud
